

Hi everyone, my name is Anna Castro, I was born and raised in Reno Nv. I am currently a dual-enrollment student at Reno High School and UNR. I'm on track to graduate early, my end date is this December (2025), and I am planning to continue my studies at UNR after graduation while also doing a cosmetology program at Milan Institute beginning in January. I have not decided on my major at UNR but have been primarily taking business classes since my junior year of high school. Along with those things, I have been practicing my nail skills and gaining certifications for the past 4 years in preparation for cosmetology school. I am interested in learning more about running a business and everything that goes into it but am always interested in learning new things and I am keeping an open mind in case my interests change.
